

COMPANY ANNOUNCEMENT

11th April, 2016

Baar Switzerland and Belgrade, Serbia

Amicus A.G. announces signature of a Distributorship Agreement to distribute GE HEALTHCARE AS products in Serbia and Montenegro.

On March 30th, 2016 Amicus SRB doo, a wholly-owned subsidiary of Amicus A.G. of Baar, Switzerland, and GE HEALTHCARE AS (Norway) signed a contract under which Amicus will (solely) represent GE Medical Diagnostic's Contrast Media products Visipaque, Omnipaque and Omniscan in Serbia and Montenegro effective immediately.

"This agreement will allow Amicus to substantially strengthen our position in Medical Diagnostics in Serbia," Jean-Michel Lespinasse, Amicus's CEO, commented. "We are honored to represent such a scientifically-oriented and innovative company as GE Healthcare." Amicus Regional Director Non-EU former Yugoslavia (and GM of Amicus SRB doo), Predrag Lukic added that he was personally delighted to have the opportunity to represent GE Healthcare's Contrast Media again in Serbia. "I'd like to thank GE Healthcare for its expression of confidence in Amicus," said Lukic. "We are eager to re-energize GE's Xray/CT Contrast Media solutions business here in Serbia. Indeed, we hope to work with GE Healthcare on other projects and products going forward."

Under the agreement, Amicus' Serbian affiliate AMICUS SRB doo will commercialize, promote and provide services related to the GE Healthcare contrast media portfolio (including Visipaque, Omnipaque and Omniscan), including distribution, access, pharmacovigilance, regulatory support, marketing and medical affairs.

About GE

GE Healthcare provides transformational medical technologies and services that are shaping a new age of patient care. GE's expertise in medical imaging and information technologies, medical diagnostics, patient monitoring systems, performance improvement, drug discovery, and biopharmaceutical manufacturing technologies is helping clinicians around the world re-imagine new ways to predict, diagnose, inform and treat disease, so their patients can live their lives to the fullest. In Contrast Media area, GE Healthcare offers a versatile line of contrast media products indicated for use in diagnostic imaging procedures across a large array of indications.
